Membership Letters Nos. 95 to 118 inclusive

A	Letter No.	Letter No.	
Abstracts of Canning Technology	104	Catsup, use in restaurants	103
Advertising, service of	112	Census of manufactures, 1923	99
Agriculture Department:		Cherry maggots, bulletin	110
Recommendation on home canning of vegetables	109	Child labor, status of amendment	116
Survey of food buying	108, 118	Chile:	
Alabama cooperative marketing law upheld	112	Canned milk industry	111
Alaska Fisheries, regulations amended	99	Preserving industry	115
Alaska map, new	118	Consumption of canned food in England	116
Annual Convention, 1926, hotel reserva- tions	117	Containers, fibre, simplification con- ference	108, 109, 117
Arbitration Act, Federal	99	Conventions and meetings:	
Army medical students visit laboratory	104	American Wholesale Grocers Asso- ciation	108, 109
Asparagus:		Canners League of California	99
Bulletin on growing	108	Food Standards Committee	99
Processing time	95	Indiana Canners Association	107
Association service:		Maine Canners Association	110
Aid in salvaging condemned product	109	National Association of Retail Grocers	108
Commendation	105	National Wholesale Grocers Asso- ciation	108, 116
Australian canning industry	110	Tri-State Packers Association	106
B		Western Canners Association	104
Beans:		Convention, Annual, 1925	95, 96, 97, 98
Federal grades, hearing on	105	Convention, Annual, 1926:	
Lima, growing for canning in New York state	105	Hotel reservations	117
Beets, growing for canning in New York state	105	Location and date	116
Berries, bulletins on culture	113	Cooperative canneries in Indiana	112
Board of Directors meeting, May 26		Cooperative marketing contract upheld	
108, 112, 118, 114, 115		in Alabama	112
Brokerage commission on short deliveries	98	Copper vessels, possible danger from use	100
Bureau of Chemistry, opinion on use of water in sweet potatoes	95	Corn, improper labeling	102
Business conditions	102, 107, 110	Corn borer quarantine extended	95
C		Corrections of literature on canned foods	97, 98
California Prune and Apricot Growers Association contract upheld	110	Correction of reference to address by Miss Marlatt	98
California, new laws affecting canning industry	112, 116, 118	Cost statistics, Tariff Commission	107
Canada, canning industry census	117	Crab-meat, Japanese, prices	117
Canned Foods Week:		Crayfish, demand in Paris	110
Canvas for funds	108, 109, 112	Crop statistics, canning	97
Date selected	116	Customs cases, arrangement for advance notification	110
Endorsement by wholesale grocers	116	Customs duty:	
Jobbers' preference for Fall date	115	Grape sugar	112
Prize awards by Progressive Grocer	98	Pineapple	112
Year round benefits	115	D	
Canned Foods Week in England	99, 108, 111	Damage claims against railways	115
Canners short course:		Definitions and standards:	
Iowa State College	108	Association's committee meeting in Chicago	106, 109
University of Wisconsin	99	Fruit products	107
Cans, variety of sizes to be studied	108, 117	Joint committee meeting	99, 103
		Sauerkraut	101, 106
		Denmark to study fisheries	110
		Discoloration of black-eyed peas	110

Letter No.	Letter No.
E	
Employers' liability, Supreme Court decision	110
Exports, statistics	97, 98, 101, 102, 107, 110, 113, 115, 118
Export subsidy granted by Australia	107
England:	
Canned food dinner tried	105
Canned Foods Week	99, 105, 111
Consumption of canned food	116
Labeling regulations	97
F	
Federal Trade Commission:	
Change in policy announced	104, 111
Complaints dismissed	108, 112, 114, 117
Complaints issued	96, 99, 104, 106
Orders issued	97, 99, 100, 104, 106, 113, 117
Studies of cooperatives	105
Fish:	
Alaska regulations amended	99
Bulletin to be issued	110
Canned, output in 1924	115
Conservation conference	110, 114
Fisheries output in 1925	107
Frozen, labeling of	104
Proposed changes in freight rates	96, 98
Vitamin content	115
<i>See also Sea Foods.</i>	
Food buying survey, Department of Agriculture	108
Food investigations:	
Address to Decatur Chemists Club	97
Cases reported	98, 102, 103, 113, 118
Service to members	95
Food laws:	
England, proposed	103
Italy, proposed	106
Michigan	111
New York	101
Pan America	98
Pennsylvania	107
Food manufacturers commended by Dr. Walter H. Eddy	110
Foods and nutrition, list of publications available	100
Foreign tariffs and customs regulations:	
Australia	107
England	97
Italy	98, 103, 115, 118
Netherlands	115
Spain	102
Foreign trade:	
Canned vegetables in France	117
Meeting in Seattle	115
Trade opportunities	95
<i>See also Exports.</i>	
France, canned vegetable trade	117
G	
Goiter, sea food as preventative	112
Government purchases:	
Army	108
Navy	100, 103, 106, 107, 112, 115, 118
Grape sugar, customs duty	112
I	
Imports of canned foods	108
Indiana community canning plants	112
Italy, tomato products industry	106
Jardine, W. M., Secretary of Agriculture, addresses canners' meeting	106
L	
Labeling:	
California fruit	95, 98
Corn	102
English regulations	97
Fish, frozen	104
Mayonnaise	111
Salmon	112
Sulphur dioxide should be declared	112
Labels, staining	111
Laws, uniform food, advocated for Pan America	98
Legislation, proposed:	
Federal, cooperative marketing	100, 101
Pure-food in England	103
Seeds, Norris Bill	104

Letter No.	I Letter No.
M	
Maryland research service to canning industry	106
Mayonnaise, labeling	105
Meat, bulletin on products in export trade	108
Membership, cooperation of Board of Directors	102
Membership Letter, change in form	109, 110, 117
Membership list	118
Michigan plan for assuring better raw products for canners	108, 111
Mileage tickets, interchangeable	115
Milk:	
Canned, production in 1928	101
Chile fosters industry	111
Italy considering regulations	106
O	
Ocean rates, Gulf and South Atlantic differentials abolished	106
Ohio, raw products research	117
P	
Packing for shipment:	
Need of good cases	97
New book on	102
Parcel post regulations, new	117
Pea seed survey	117
Peas:	
Aphis experiments in California	105
Aphis project in Wisconsin	101
Black-eyed, discoloration	110
Bulletin issued by Association	103
Intended acreage	114
Pamphlet on inoculation	105
Seed survey	117, 118
Pectin, new citrus method	105
Periodical references:	
American Restaurant	103
Hotel Management	100
Indiana Farmers Guide	102
Ladies Home Journal	103, 111
Pineapple, duty on imported	112
Prices, wholesale, trend	108, 113, 117
Production costs not trade secret	107
Publications noted:	
Berry culture	113
Cherry maggots	110
Control of tomato leaf spot	98, 103
Cuban market for American foodstuffs	104
Foods and nutrition, Government publications	100
Growing and handling asparagus crowns	103
Growing beets for New York canning factories	103
I	
Growing lima beans for New York canneries	105
Growing tomatoes for canning	101
Inoculation of peas	103
Liability of ocean carriers	96
Marketing of American meat products in export trade	108
Packing for foreign markets	102
Pruning black raspberries	110
Pruning young cherry trees	115
Seed peas in Montana	115
Spraying calendar	101
Tariff information survey on sardines	105
Variations in varieties of canning peas	103
World trade in canned salmon	117
Purnell Bill	104
Q	
Quarantine for corn borer extended	95
R	
Raspberries, pruning, bulletin	110
Raw products research:	
Explained to Tri-State Packers	106
Ohio	117
Research, agricultural:	
Appropriations by Congress	104
Maryland to enlarge	106
New York, Indiana, Ohio, Michigan, and Illinois	109, 117, 118
S	
Salads out of a can	103
Salmon:	
Bulletin on world trade	117
Labeling	112
Pacific Coast pack	99
Salt deliveries, test for purity	115
Sardines:	
French pack short	99
Tariff commission survey	105
Spanish industry	117
Sauerkraut, definitions and standards	101, 106
Sea food:	
Goiter preventative	112
Vitamin content	115
Secretary and Treasurer, report to Board of Directors, May 28	115
Seeds:	
Conference at Department of Commerce	114
Disease-resistant, supplies	95
Legislation favored by Senate Agricultural Committee	104
Pea survey	117, 118
Standardization conference	111

	Letter No.		Letter No.
Vegetables, treatment with mercury compounds	112	Depreciation due to competition	101
Short deliveries, brokerage commission on	96	European methods studied	109
Simplification of containers	117	Losses on inherited property	118
Spain, sardine factory operations	117	State franchise taxes, court decision	111
Specifications directory, U. S. Department of Commerce	104	<i>See also</i> Tax Board of Appeals
